### BHSN COO FEATURED SPEAKER

On November 8th and 9th, Peter Trout, Chief Operating Officer of Behavioral Health Services North (BHSN) will be one of the featured speakers at the NYAPRS Inaugural Implementation Academy for Personalized Recovery Oriented Services (PROS) in Albany. This Academy is in collaboration with the NYS Office of Mental Health and the Center for Rehabilitation and Recovery

The Academy aims to energize and support the executive, administrative, program staff, advocates and self-advocates of PROS programs and those interested in developing PROS programs to best meet the challenge and promise of delivering quality recovery centered PROS licensed services in their communities. The sessions will include Administration, Service Delivery and Community Integration.

Completing its fifth year as the initial PROS program in New York State, BHSN staff is regularly accessed for its experience with this person-centered recovery-focused delivery of mental health services.
